

PRODUCT DATASHEET LED ECO STREETLIGHT 30 W 4000 K HE

LED ECO STREETLIGHT | Streetlights

Areas of application

- City roads, industrial roads, parking lots
- Residential sector
- Gardens

Product benefits

- Slim housing
- Aesthetic and functional product design
- Homogeneous luminance distribution and minimized glare thanks to optical lense
- Easy installation thanks to pre-wired with mains cable
- High quality aluminum housing

Product features

- Surge protection: up to 10 kV (L-N)
- Lifetime up to 50,000 h
- Type of protection: IP66
- Impact resistance: IK08

TECHNICAL DATA

Electrical data

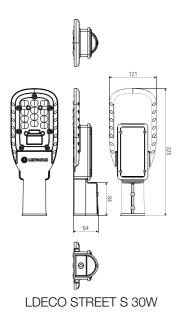

| Nominal wattage | 30.00 W |
|------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Nominal voltage | 100240 V |
| Mains frequency | 5060 Hz |
| Power factor λ | > 0.90 |
| Protection class | T. Control of the con |
| Operating mode | Mains voltage |

Photometrical data

| Luminous flux | 3600 lm |
|--------------------------------------|--------------|
| Luminous efficacy | 120 lm/W |
| Color temperature | 4000 K |
| Light color (designation) | Cool White |
| Color rendering index Ra | > 80 |
| Standard deviation of color matching | 5 sdcm |
| Beam angle | 75 ° x 135 ° |

Dimensions & Weight

| Length | 325.00 mm |
|----------------|-----------|
| Width | 121.00 mm |
| Height | 77.00 mm |
| Product weight | 961.00 g |
| Cable length | 500 mm |

Materials & Colors

| Product color | Gray |
|-----------------|--------------------|
| Housing color | Gray |
| Body material | Aluminum |
| Cover material | Polycarbonate (PC) |
| Mercury content | 0.0 mg |

Application & Mounting

| Ambient temperature range | -30+50 °C |
|----------------------------------------|---------------|
| Temperature range at storage | -40+70 °C |
| Type of connection | Cable, 3-pole |
| Type of protection | IP66 |
| Protection class IK (shock resistance) | IK08 |
| Dimmable | No |
| Mounting type | Suspended |
| Mounting location | Pole |
| Application environment | Outdoor |
| Replaceable light source | No |
| | |

Lifespan

| Lifespan L70/B50 at 25 °C | 50000 h ¹⁾ |
|---------------------------|-----------------------|
| | |

| Number of switching cycles | 100000 |
|----------------------------|--------|

¹⁾ t[h]: L70 / B50 @ 25 °C (Ta), t[h]: L80 / B10 @ 25 °C (Ta), t[h]: L90 / B10 @ 25 °C (Ta)

Certificates & Standards

| Replaceable light source (EPREL) | Not replaceable |
|----------------------------------|-----------------|
|----------------------------------|-----------------|

DOWNLOAD DATA

| Photometric and lighting design files | Document name | |
|---------------------------------------|---------------------------|--|
| IES file (IES) | LDECO STREET S HE 30W 840 | |

LOGISTICAL DATA

| Product code | Packaging unit (Pieces/Unit) | Dimensions (length x width x height) | Gross weight | Volume |
|---------------|------------------------------|--------------------------------------|--------------|-----------------------|
| 4058075279094 | Folding box 1 | 366 mm x 94 mm x 168 mm | 903.00 g | 5.78 dm ³ |
| 4058075279100 | Shipping box 10 | 495 mm x 380 mm x 355 mm | 10228.00 g | 66.78 dm ³ |

The mentioned product code describes the smallest quantity unit which can be ordered. One shipping unit can contain one or more single products. When placing an order, for the quantity please enter single or multiples of a shipping unit.
